

## Kangen Water® | pH 8.5-9.5

With a pH of 8.5-9.5, this type of water is perfect for drinking and healthy cooking. It works to restore your body to a more alkaline state, which optimizes health.

### What Kangen Water® can do for you:

#### **Drinking**

Drink Kangen Water® throughout the day. Unlike tap water, Kangen Water® has no unpleasant odor, tastes lighter, and has a pleasantly sweet flavor.

#### **Food preparation**

Clean vegetables and fish. Enhance the flavor of broccoli, onions, bamboo etc. by pre-boiling them in Kangen Water®. Use less condiments and salt.

#### **Coffee and tea**

You'll be surprised at the wonderful color, taste, and aroma of coffee or tea prepared with Kangen Water®. You can also use less or coffee or tea and still achieve a full rich taste due to the water's extractable ability.

#### **Soups and stews**

Kangen Water® draws out the flavor of ingredients so they get tender and juicy. Therefore, food doesn't need as much seasoning, and excess salt can be avoided.

#### **Plants**

Kangen Water® may give freshness and life to plants. The water stimulates germination and improves seedling development.

# Neutral water | pH 7.0

Free of chlorine, rust and cloudiness. Neutral water is delicious drinking water.

## What Neutral water can do for you:

### **Baby food**

Use water pH 7.0 when preparing baby food.

### **Medication**

Neutral water is delicious drinking water that is easily absorbed by your body. Take your medicine with this water.

# Strong Kangen Water | pH 11.0

Strong Kangen Water preserves hygiene in your daily life due to its strong cleaning effect. It has dissolving and heat conducting benefits.

**This water is not for drinking.**

## What Strong Kangen Water can do for you:

### Food preparation

Remove rawness from vegetables such as green onions, bamboo, wasabi and flowering fern with Strong Kangen Water®.

### Cleaning

Clean cutting boards and dishcloths. Good for cleaning oil and tough grime from vents, as well as for general cleaning in the kitchen.

### Stain removal

The extra strength, absorption power, will remove coffee, soy sauce, and oil stains with ease. Also great for getting out stubborn toilet bowl stains.

### Dishes

Use less detergent when washing your dishes. Save on water bills, as only one-third to one-fourth of the usual amount of water is adequate for rinsing off detergent.

# Acidic Water | pH 4.0-6.0

This slightly acidic water is recognized for its astringent effects. It's terrific to use for gentle cleaning and beauty care.

 **This water is not for drinking.**

## What Acidic Water can do for you:

### Face wash

The astringent properties of Acidic water are effective in toning and firming your skin. Pat the skin and leave to dry. This water is also excellent as a toner after shaving.

### Hair care

Use this water instead of conditioner after shampooing. Reduces annoying tangles and brings out a radiant shine. Keep in a spray bottle and spray your hair and face when you're out and about.

### Pet care

Spray your pet with this water and brush afterwards to obtain soft and shiny fur.

### Polishing

Polish mirrors, eyeglasses, glass objects, and windows to a high sheen.

### Cleaning

Remove dirt from hardwood floors, ceramic tiles etc. without leaving a sticky residue.

### Frozen food

Spray foods with Acidic Water when freezing so that the food, including fish and shrimp, do not lose its flavor when thawed out.

# Strong Acidic Water | pH 2.7

This water has disinfecting properties. Use Strong Acidic Water to sanitize kitchen utensils, countertops, etc. to keep areas safe and clean.

 **This water is not for drinking.**

## What Strong Acidic Water can do for you:

### Cleaning and disinfecting

Sanitize knives, cutting boards, dish towels, and kitchen cloths etc. Clean and disinfect in and around the kitchen, which is a breeding ground for germs.

For a more powerful disinfecting effect, clean with Strong Kangen Water® before using Strong Acidic Water. Please note: after the use of Strong Acidic Water, metal that rusts easily should be wiped with a dry cloth because of the strong acidity.

### Hygiene

Disinfect your hands, your toothbrush or as mouth wash. Keep a spray bottle in your bathroom for easy access.

### Commercial operation

Beauty salons, hair salons, restaurants, agricultural colleges, daycare centers, pet shops, and nursing homes all benefit greatly from the use of Strong Acidic Water.
